Letter To The Reader

As you page through this yearbook you may be wondering why the class of 1956 chose the theme "Time." The staff decided on this idea partly because of the format of the popular news magazine of the same name, but mostly because they had read these words from the Bible. They are found in Ecclesiastes 3:1-8.

For everything there is a reason, and a time for every purpose under heaven:

a time to be born, and a time to die;
a time to plant, and a time to pluck up that which is planted;
a time to kill, and a time to heal;
a time to break down, and a time to build up;
a time to weep, and a time to laugh;
a time to mourn, and a time to dance;
a time to cast away stones, and a time to gather stones together;
a time to embrace, and a time to refrain from embracing;
a time to seek, and a time to lose;
a time to keep, and a time to cast away;
a time to rend, and a time to sew;
a time to keep silence, and a time to speak;
a time to love, and a time to hate;
a time for war, and a time for peace;

Man of the Year

For "Man of the Year" we nominate John Derkac, who has been a teacher in our industrial arts department for nine years.

When Mr. Derkac came to Wilson, this department was expanded to include plastics, art metal, wrought iron, machine metal, basic electricity, and home mechanics.

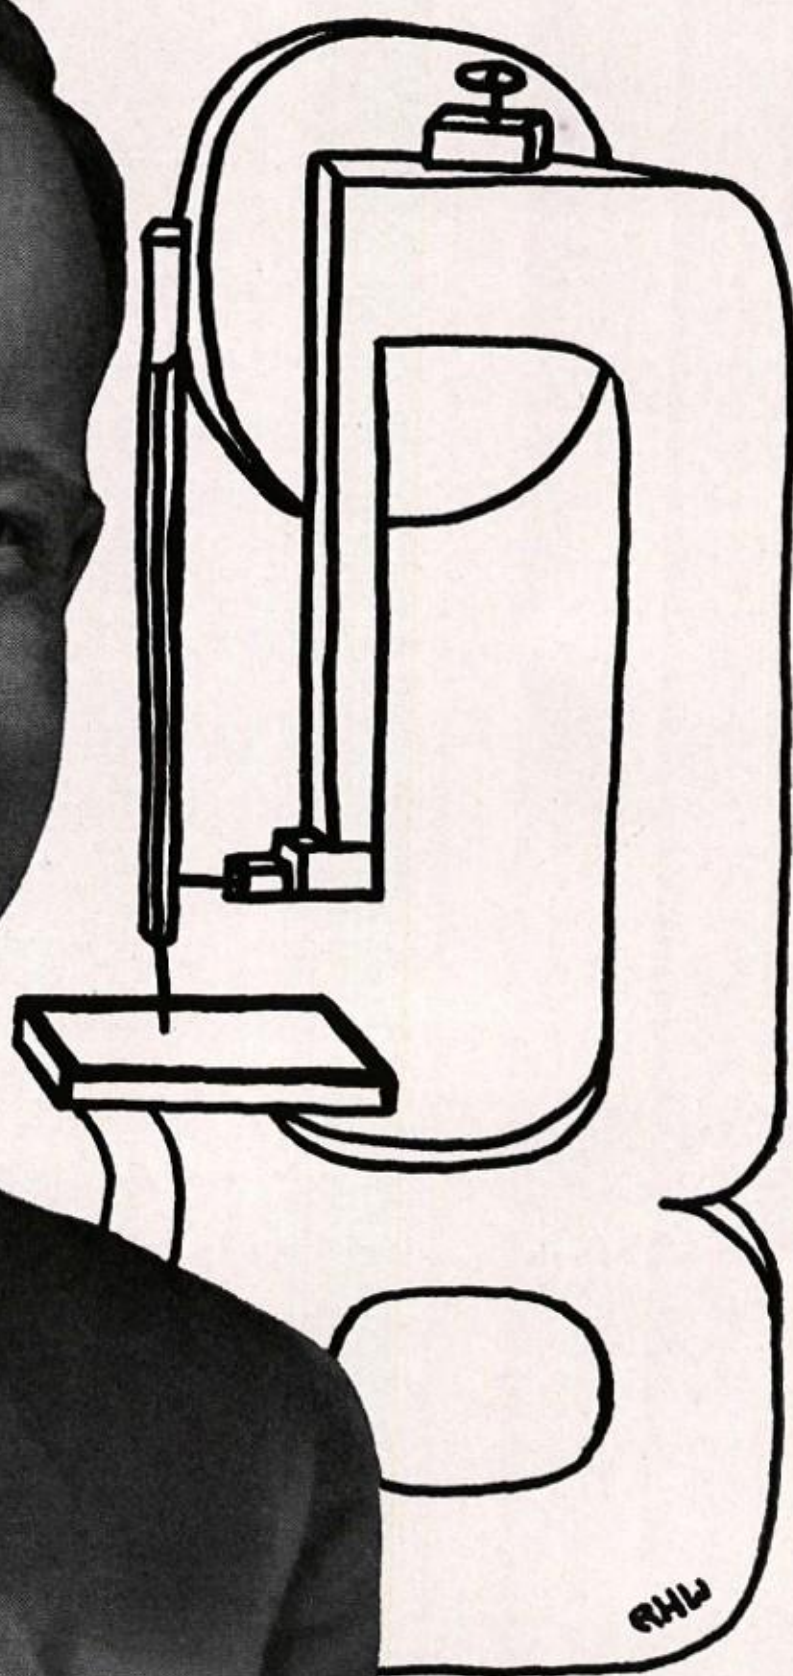

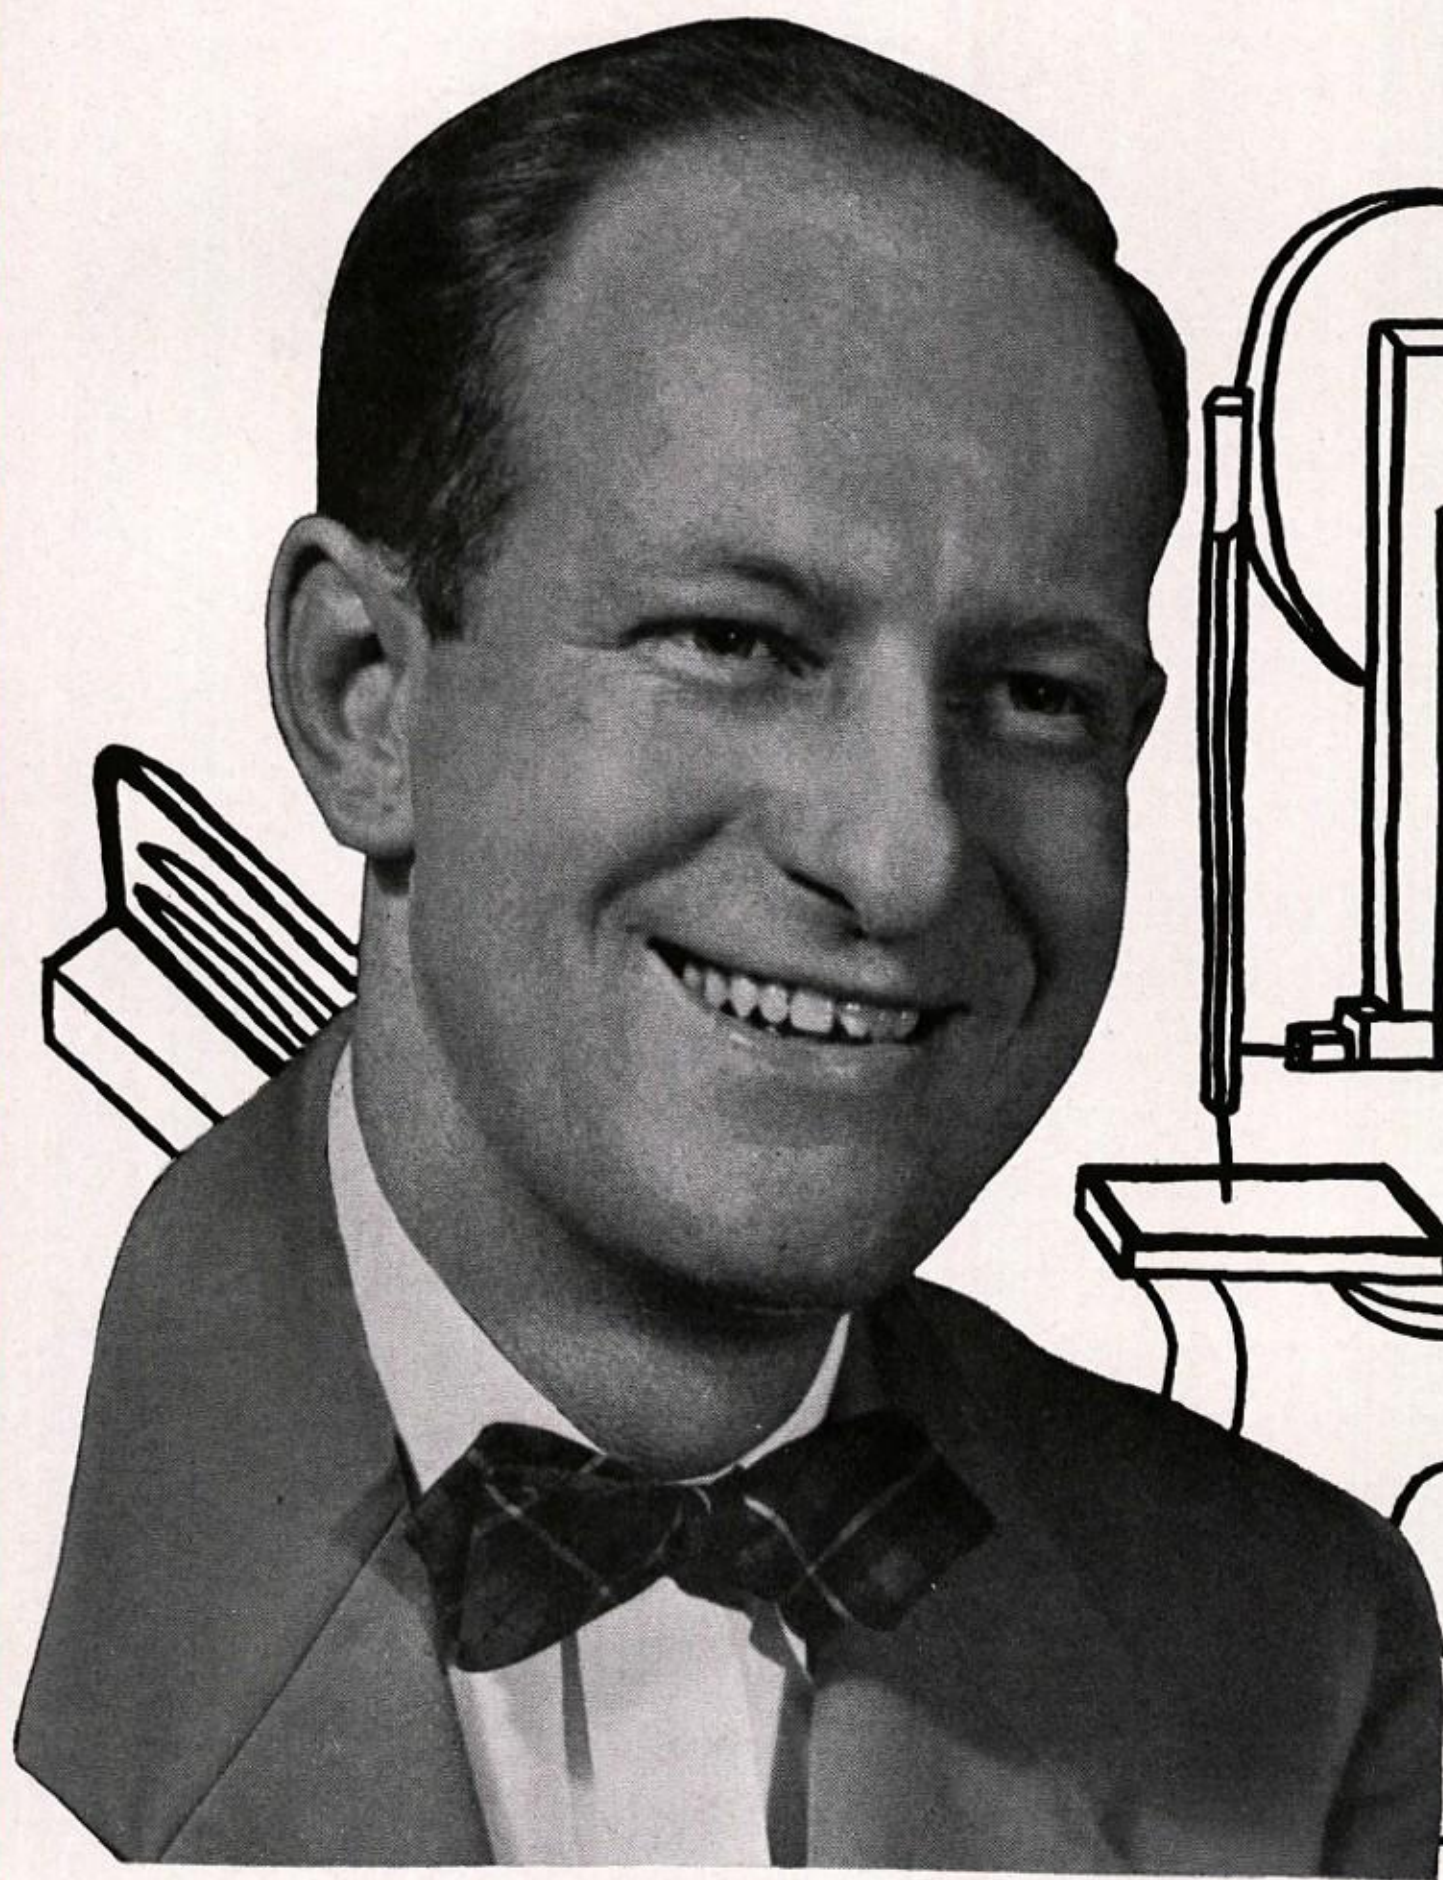

At the present time Mr. Derkac is instructor in woodwork. He is faculty adviser of the stage crew, which erects scenery for plays, operettas, band concerts, junior proms and other dances, commencements, and many other community projects. He is also adviser of the Freshman Model Club.

Active in the field of sports, Mr. Derkac was assistant football coach from 1947-1949; junior high school basketball coach from 1947-1950; and has been scout for varsity football for the last seven years.

For his unselfish service in the interest of the school, for his friendly guidance and cheerful personality, we are happy to dedicate this volume of Les Memoires to

JOHN DERKAC

“My Time is Your Time”

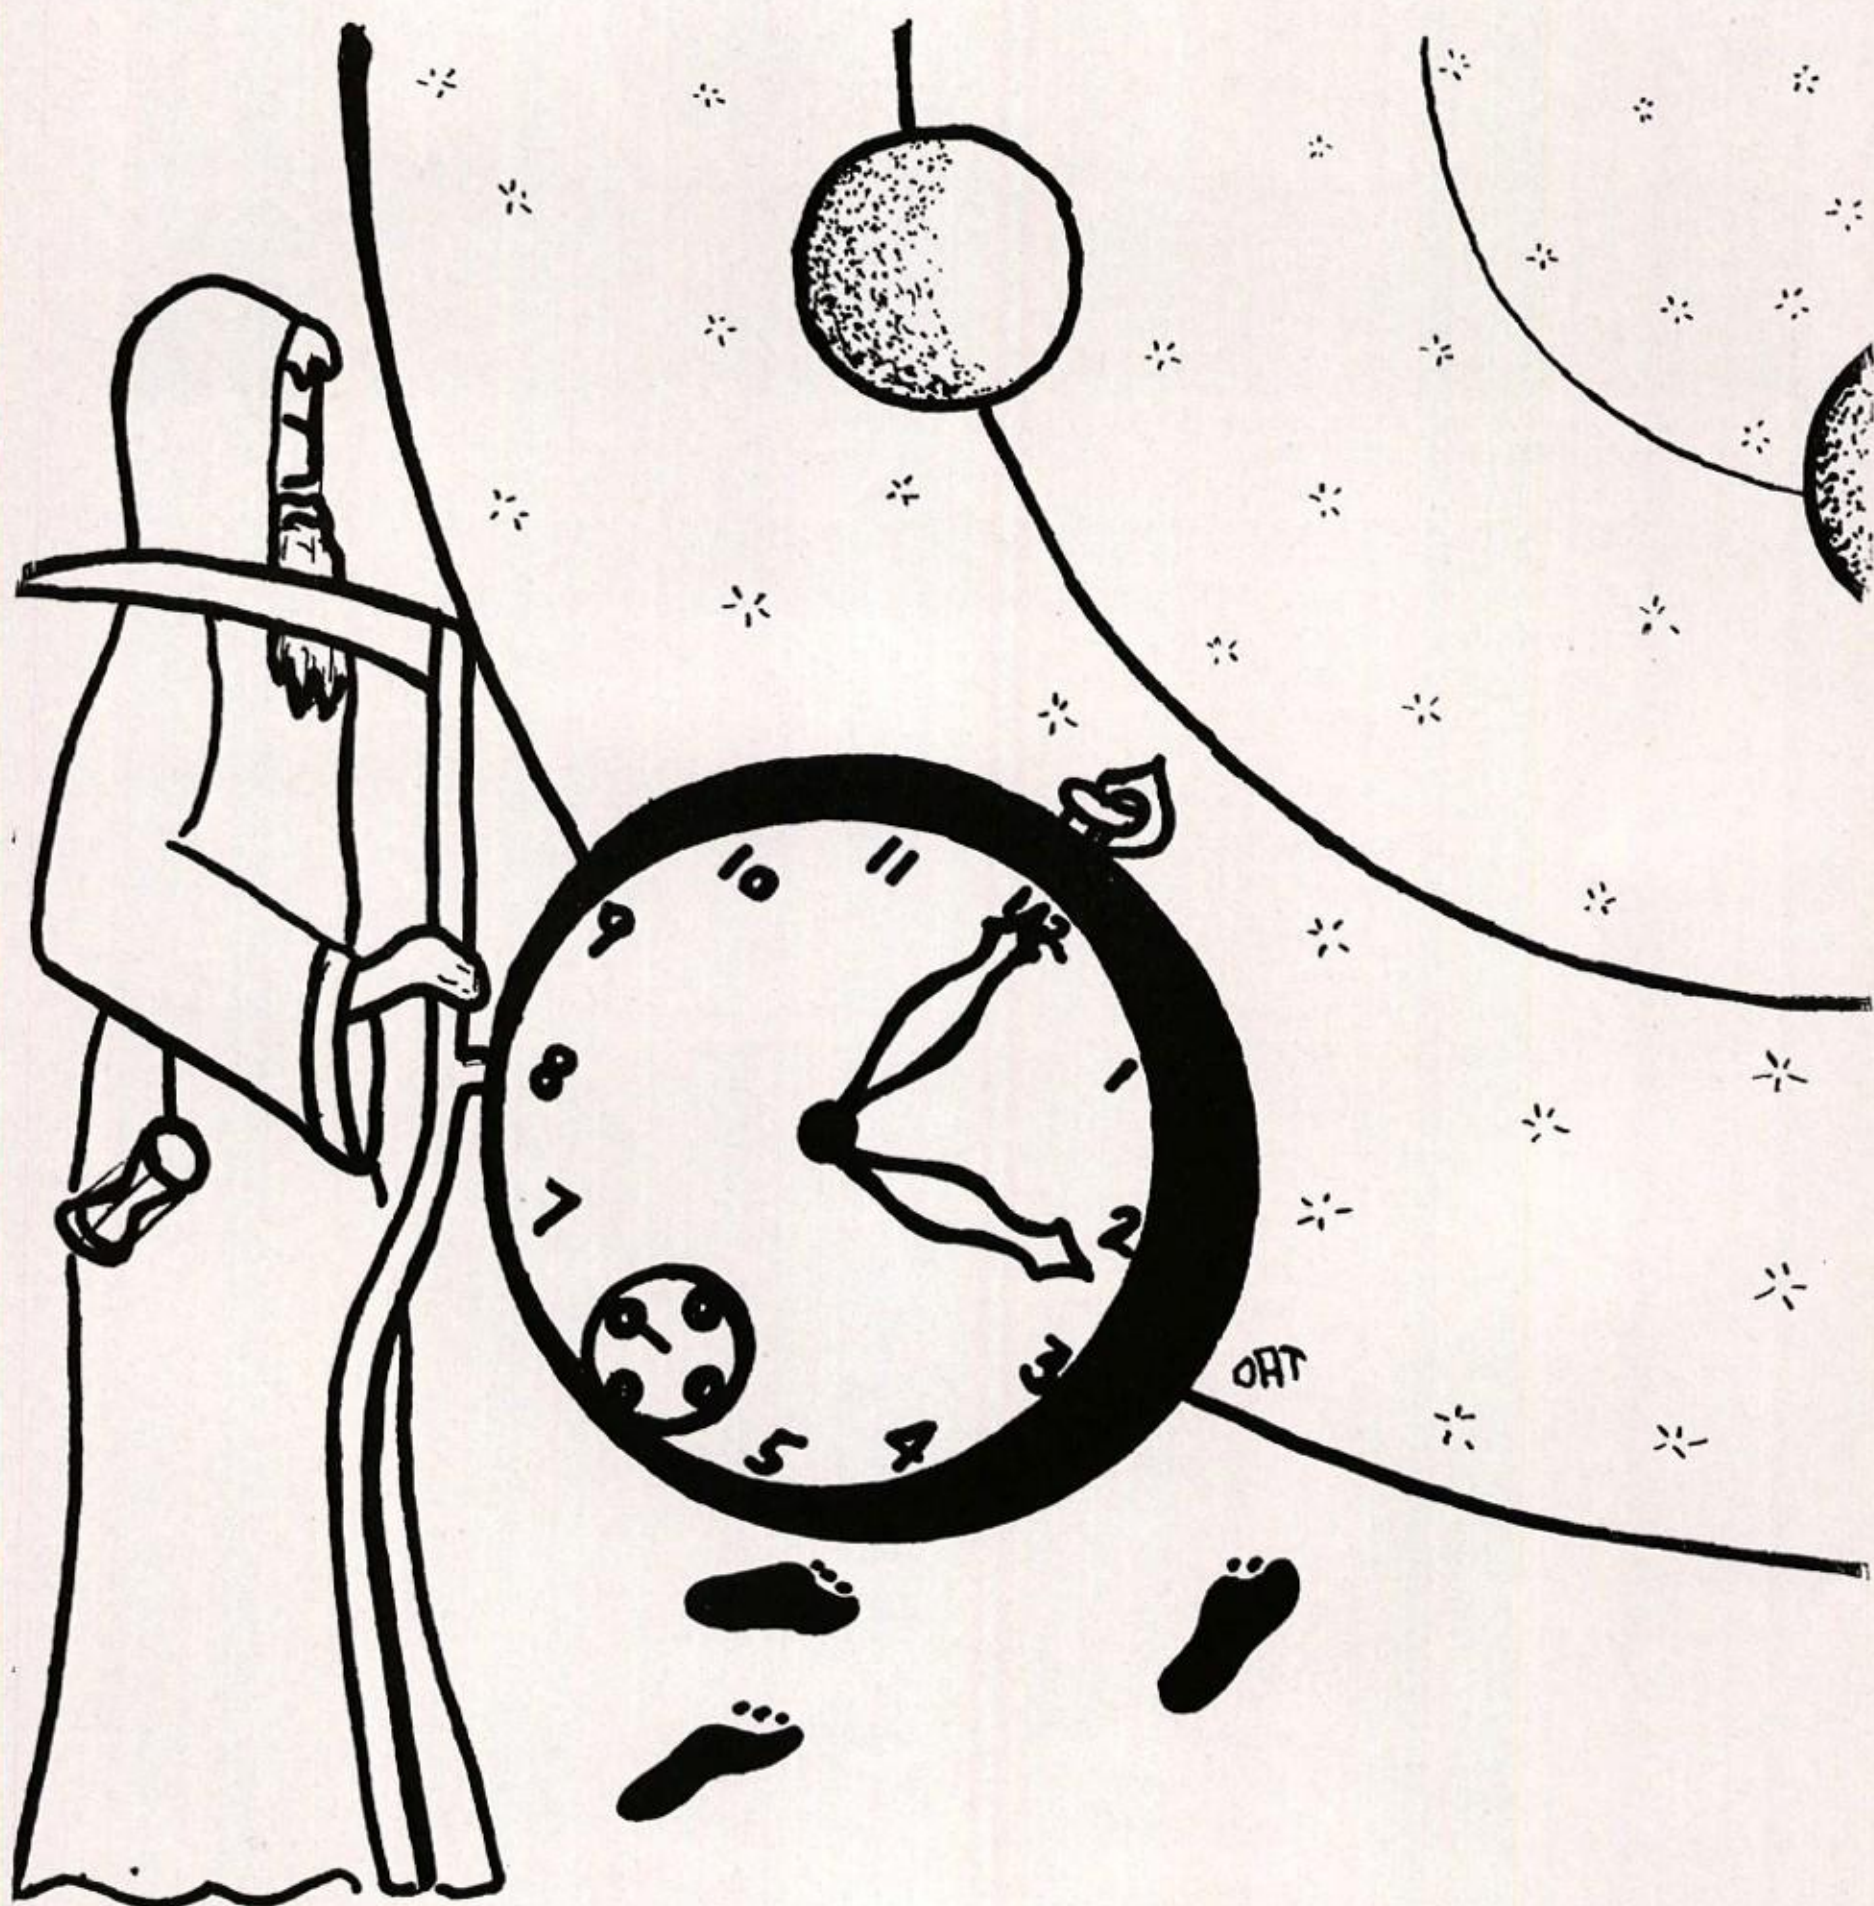

The Senior Class of 1956 would like to thank the faculty and administration for numerous things. It would indeed be difficult to get along without the basic skills that they have taught us; they, along with our parents, have showed us how to think for ourselves and how to form our own opinions. For these things, we will be eternally grateful.

Most of all though, we thank them for the time they have taken to help us with our problems. Time is of value to anyone, but to a teacher who has tests to make up, classroom teaching, papers to grade, and extra-curricular activities to supervise, it is doubly valued.

Probably we have never appreciated till now the fact that our teachers, principal, and guidance counsellors are always ready to give us advice and to help us when we run into trouble.

Thank you again, faculty and administration.

ADVICE

"Tempus Fugit"

Time flies! Who could be more qualified to say this than we, the Senior Class? For us, time *has* flown. It was just yesterday that we went to our own Junior Prom, only a couple of weeks ago that we were freshmen. It certainly can't be six years ago that we entered Wilson High.

As we stop to realize that we are graduating from high school, we think of the many, many things that have happened to us in these few years. We have made what were to us the most important decisions we could make. Should we take algebra or typing, go out for football or track, go to college or take a job? We have been to our first dances, assumed responsibilities for the first time, been treated as adults, and perhaps met our future mates.

Now we can see that time, especially these past six years, have played a most important part in our lives. We will never again be—the Senior Class of 1956.

Their Time Will Come

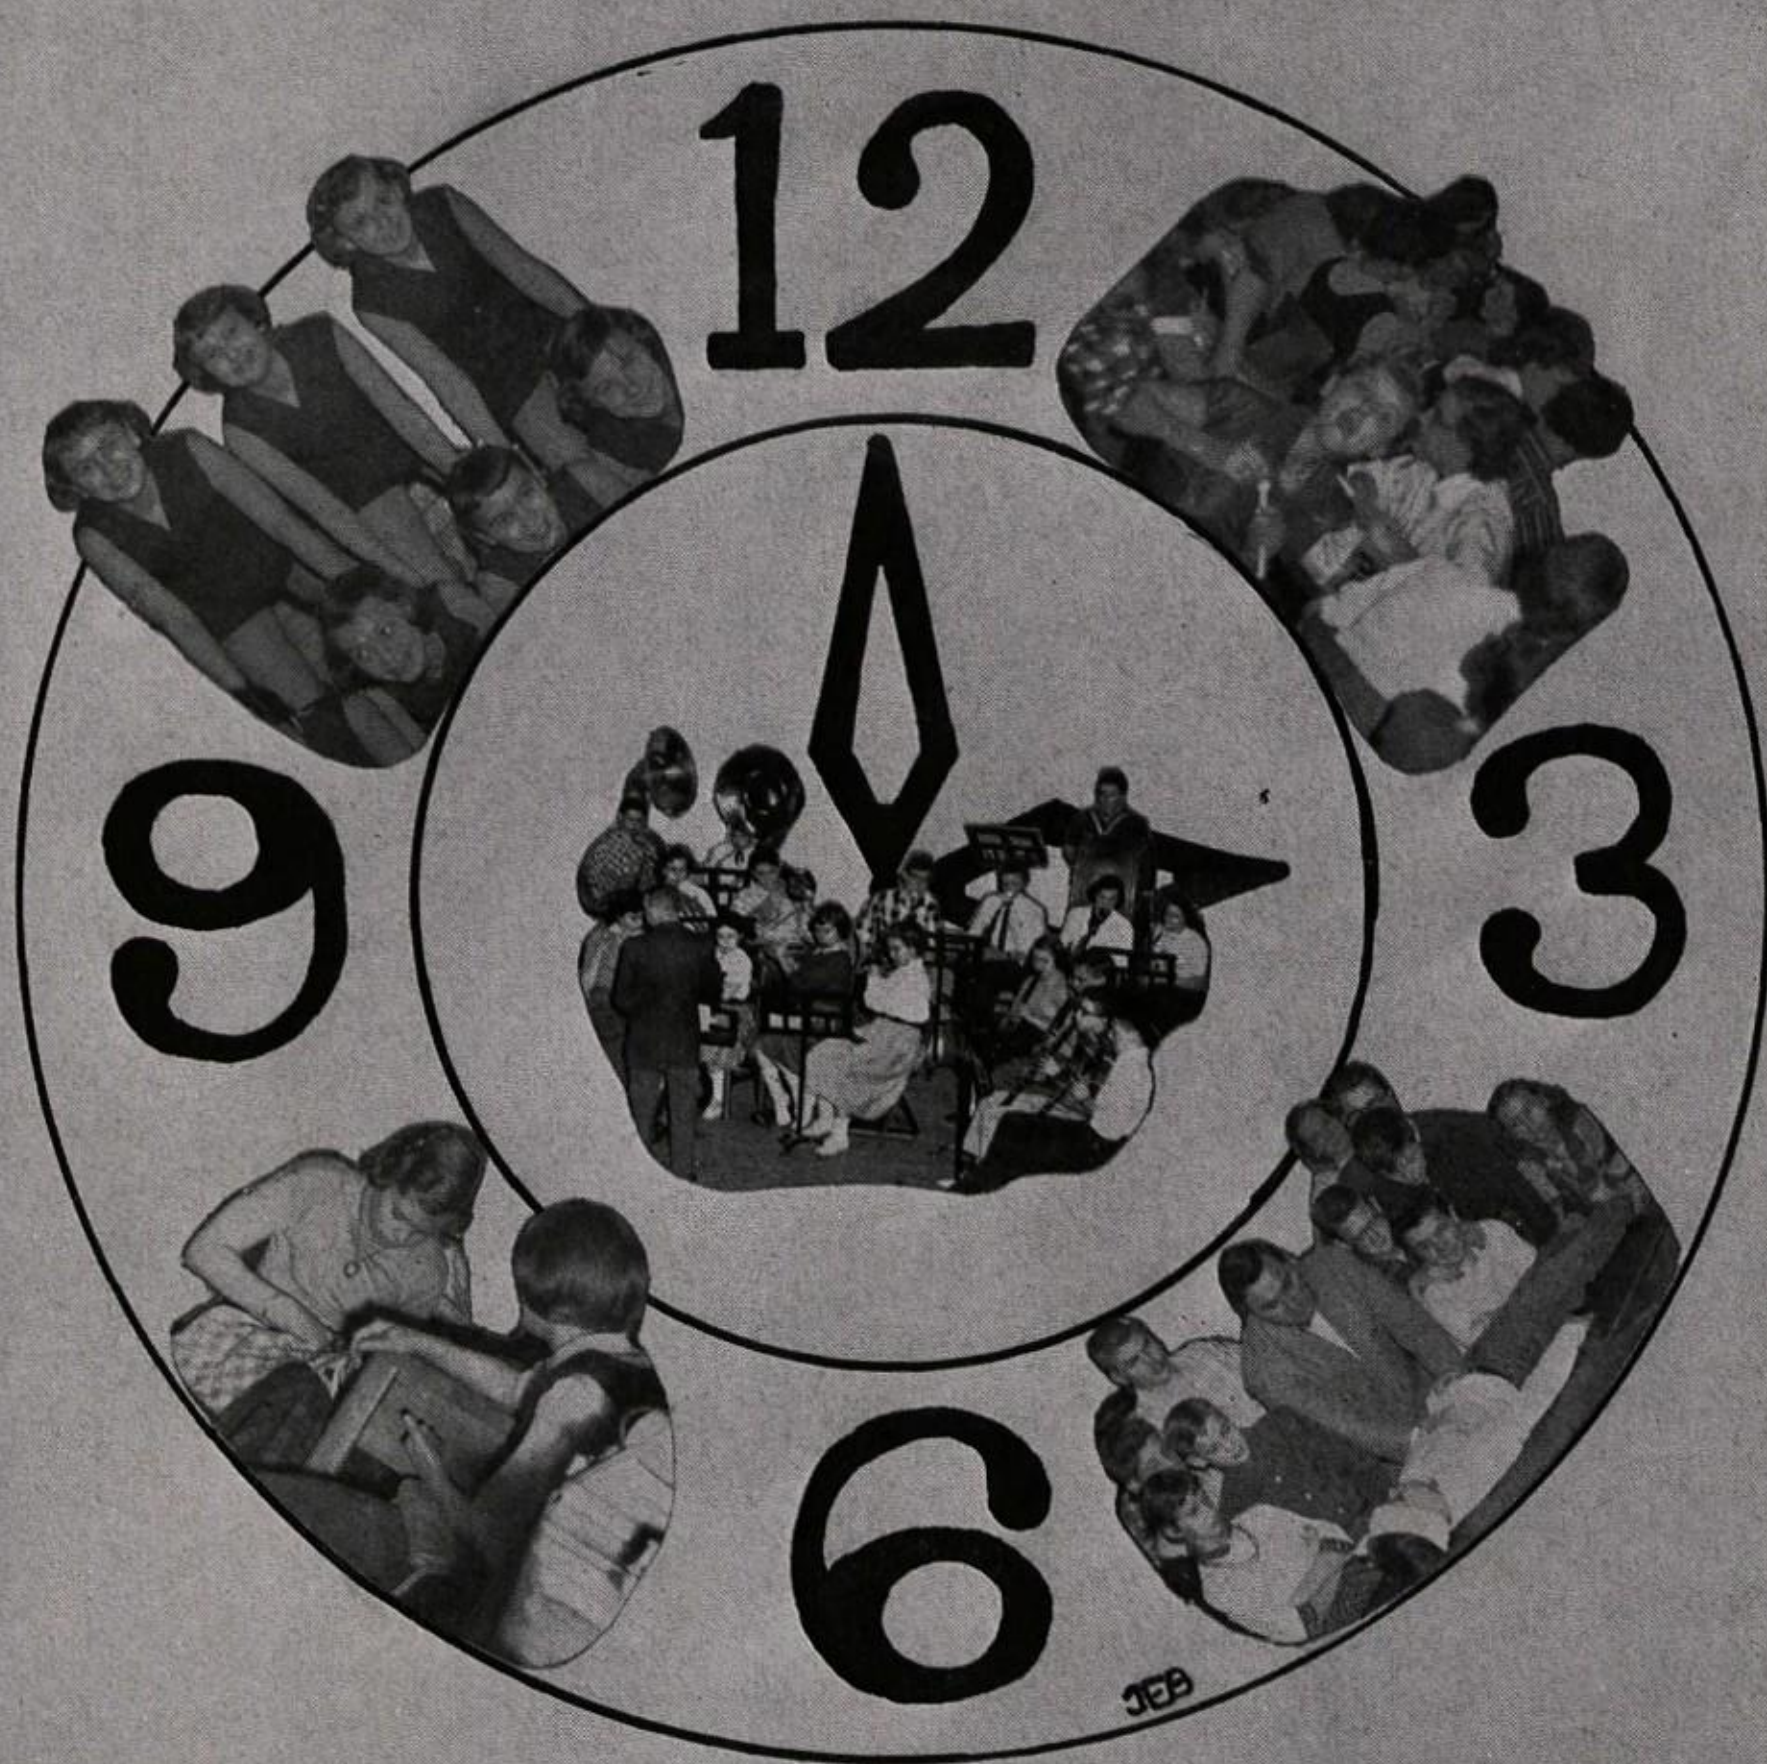

Enthusiasm is the most noticeable trait of the underclassmen. They are enthusiastic about their studies and activities; they are responsible for our new clubs; they present the most entertaining assemblies.

We are glad that they have this enthusiasm for everything they do. They will need it as they meet the obstacles of the future.

Time will play a large part in their lives as it has in ours. They must use their remaining school years to learn, to make friends, and to benefit from the mistakes we have made.

We hope they will be successful.

"Time Called"

For many of us, the most thrilling moments at Wilson High have been those spent on the gridiron, track, baseball field, or basketball court. We haven't always won, but we have enjoyed every minute of every game, whether it was that big Thanksgiving Day football contest, or a quick basketball session in gym class.

Sports have taught us muscular co-ordination, the value of teamwork, and, of course, sportsmanship. We discovered that there is value in losing as well as winning.

Time has been called for the seniors, so here is the record with pictures of those thrilling moments.

TRIBUTE TO GEORGE CARLING VARSITY CLUB W AWARD

L. to R.—Garner, Edward Storm, Joseph Huston, Carling.

A collage of black and white photographs of students in various sports and activities, arranged in a circular pattern around a central graphic. The central graphic is a stylized face with a large, open mouth containing a clock face with a flame-like center. The initials 'JRM' are written to the right of the mouth. The photographs depict students in various sports and activities, including basketball, football, baseball, and track and field. Some photos show students in action, while others show them in group shots or portraits. The photos are arranged in a circular pattern, with some overlapping, creating a sense of movement and energy. The overall theme is student sports and activities.

Football

The 1955 football season was not exactly the most successful in the won and lost column, but in the true Wilson spirit, our Warriors came through.

We opened the grid year, as usual, opposing the Red Rovers of "the school down the street." The charges of coach Lionel "Jud" Hall displayed first class football in the first half, but the third and fourth periods spelled doom for the Warriors as Easton defeated us by a 19-6 score. Larry Correll, our senior quarterback, crossed the goal line on a quarterback sneak for our only score.

After Easton, we played our first home game against the Allentown Central Catholic Vikings. The Hallmen struck first blood on sophomore Fred Gensheimer's first period touchdown, but again the Warriors fell in defeat by the score of 19-7.

Wilson's record, but not spirit and confidence, sank deeper as we met a strong Phillipsburg squad. The men under the shield of the Blue and Gold played heads up ball, but the strength of our foes from across the river was too much, and we bowed to a 31-0 score.

Then came Bangor and the Lehigh-Northampton League. On a water and mud saturated Bangor field, the Warriors triumphed over the Maroon and White Slate Pickers on the basis of T. D.s by Elmo Helm, John Murray, and two by Eddie VanHorn. Gensheimer converted twice and the Warriors became victorious in their first L. N. Bout, 26-7.

Following an open date, Wilson met the Cavaliers of East Stroudsburg in our second Lehigh-Northampton game. Although displaying top-notch gridiron prowess, Elmo Helm and junior Jim Frank hit paydirt, but the Warriors came out on the short end of a

13-12 score. Wilson's record now stood at 1-4.

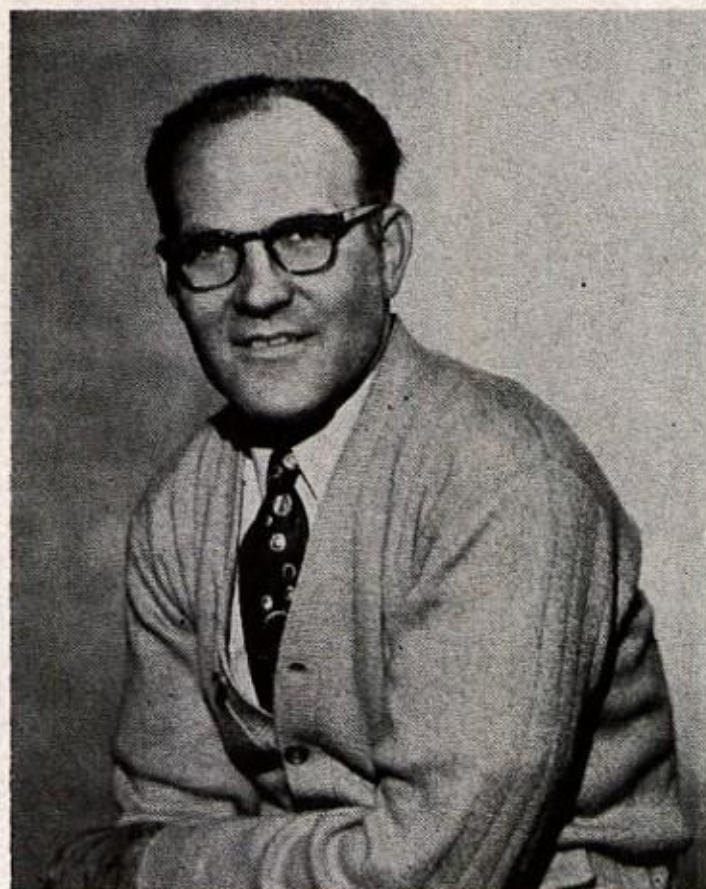

Our second win came at the expense of the Pen Argyl Green Waves on enemy soil. The slate region lads were too inexperienced and weak for the Wilson Injuns and the Hallmen gained a 25-0 shutout. Willard "Elmo" Helm crossed the end zone stripes 3 times and Jim Frank once. Frosh Jim Palmer split the uprights once to round the scoring.

After another open date and week of rest, the Warriors hit the grind again to meet the Slatington High eleven on home soil. W. H. S. had no trouble as they rolled over the Slaters 34-6. Helm, Correll, Murray, junior Floyd Hartranft, and sophomore Dick Sigafos connected for tallies. Palmer converted three times and Wilson had won their third game.

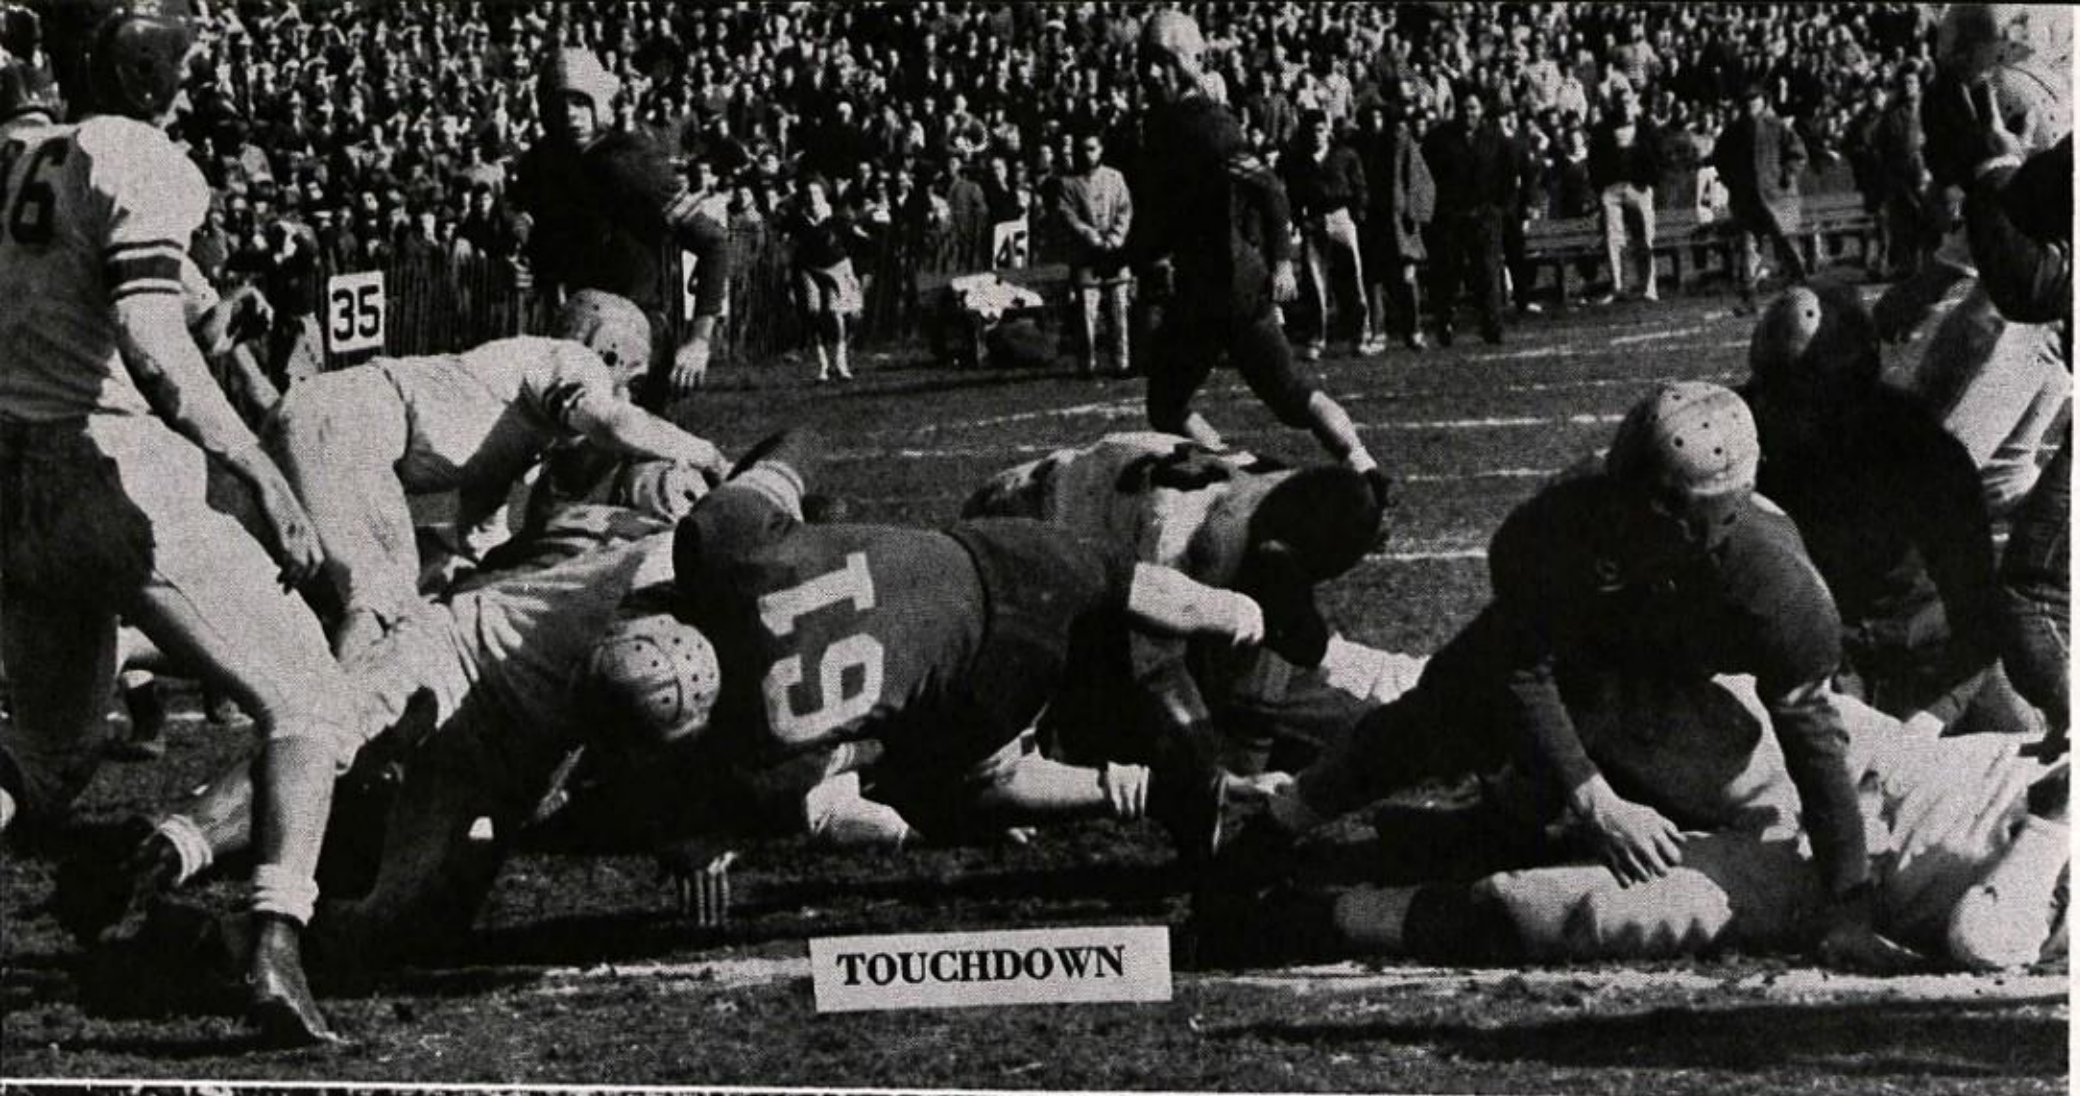

Another football season was brought to a close on Thanksgiving Day when the Warriors met their arch rivals, the Nazareth Blue Eagles. The Hallmen batted the birds in Easton's Cottingham Stadium, but fell to a 27-7 loss. Our T. D. was scored by none other than tackle, Captain Joe Ciambrone. Joe fell on John Murray's fumble in the second period to round out the Wilson scoring for the '55 campaign. Jim Palmer booted the extra point.

All in all it was a rough season due to injuries, bad breaks, and fumbles, as the Gridiron Grenadiers of the Blue and Gold concluded the season with a 3-5 record.

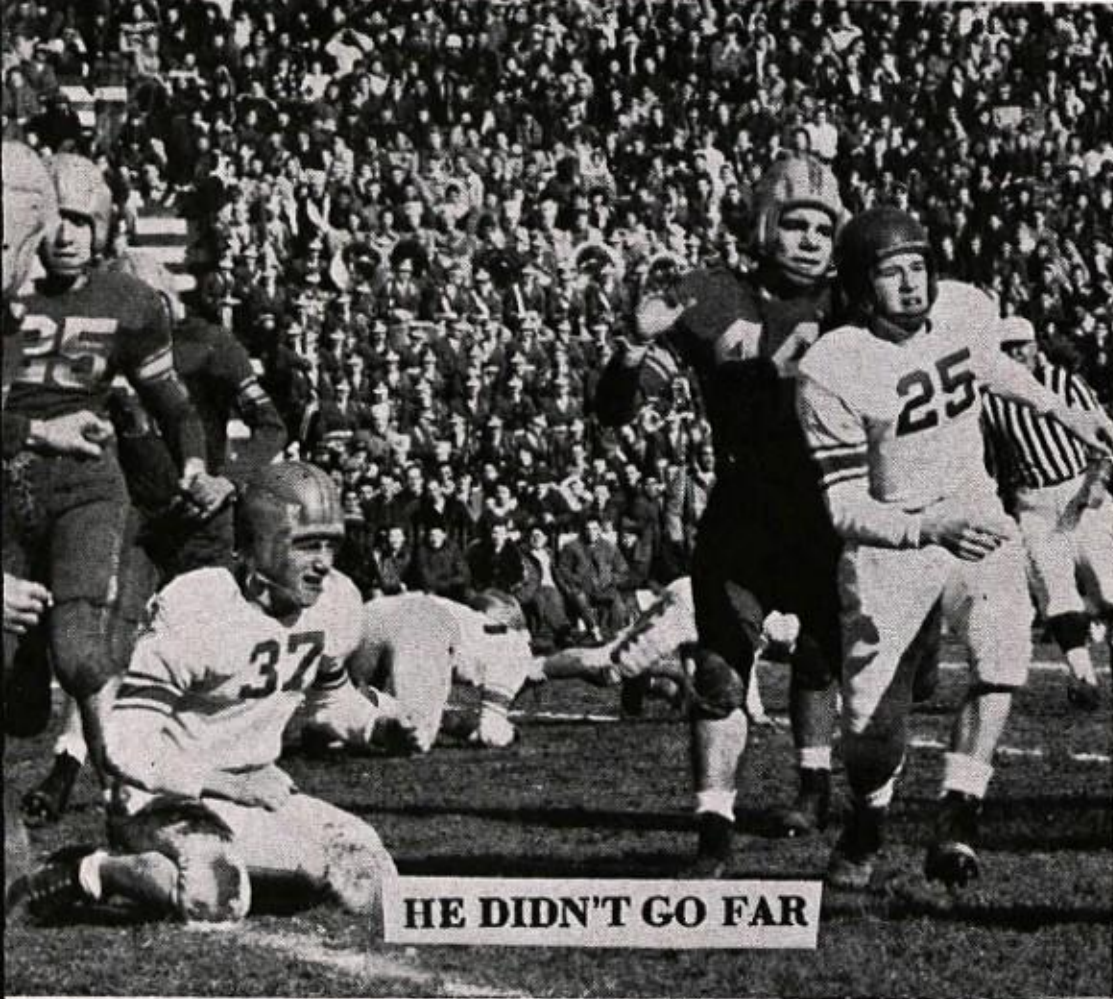

Twenty seniors ended their football careers at Wilson after the final whistle blew at the Turkey Classic. They are Captain Joe Ciambrone, John Leshner, Bill Vohs, Bob Smith, Arnie Strawn, Bob Rader, Dennis Harrigan, Bruce Goodyear, Harry Martyn, Art Bruch, Bob Dicker, Tom Eichlin, Larry Correll, John Murray, Elmo Helm, Dick Trumbauer, Ray Keeler, Eddie VanHorn, Gene Hoye and Rocky Epstein, manager.

This year's J.V. team had an impressive season with five wins, three losses, and a tie. One game with Easton was rained out. Under the capable coaching of Mr. Opitz the team developed the necessary skills and polish needed to step up to the varsity next fall. In the years to come these boys will form the nucleus of many more great Wilson teams.

The Junior Varsity, under the coaching of Carlton Berger, had a successful season this year, as they compiled an impressive overall record of twelve wins against eight defeats.

After breaking even in their first six games, the boys caught fire and won nine of their next fourteen games.

These boys did a fine job and put on some exciting games before the varsity tilts.

We are looking forward to seeing many of these boys on the varsity squad next year and we feel sure they will do as fine a job in the future as they have done in the past.

The Junior High squad this season, ably coached by Anthony Terranova, was very successful as it compiled a log of nine wins and five defeats.

After coming out even in their first eight games, the young Warriors caught fire and won their next five games. This late-season spurt earned them a three-way tie for first place in their league.

In the playoffs they lost out in the final game to Nazareth by the score of 34 to 28.

The Warriors started the current season by dropping their opener to a strong Easton nine. In their next game they were upset by Coplay, but following this loss the boys came through with successive league victories over Pen Argyl and Hellertown. In the Pen Argyl game Dick Maurer pitched a no-hit, no-run game for the Warriors. Following these victories, the Warriors dropped their next two league games to Bangor and Nazareth.

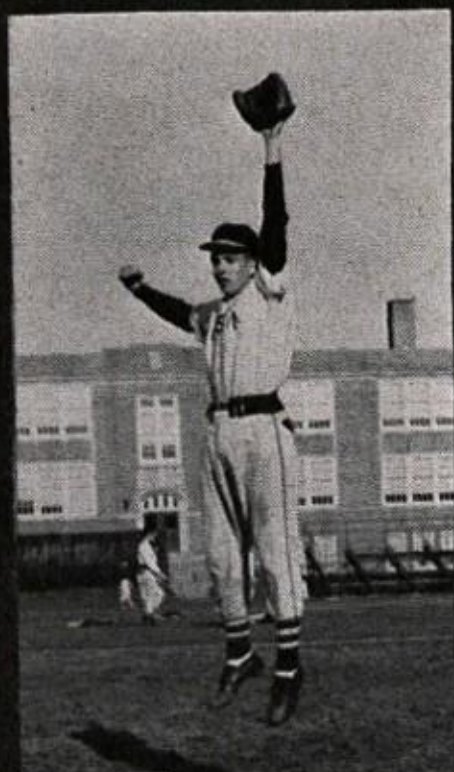

Although the team has not been very successful thus far this season, we feel confident that they will be much more successful in the remaining games.

Intramurals

The backbone of the entire system of intramurals is the Girls Intramural Council. This group arranges the schedules, picks the captains of the various teams, and selects the names to be used for the teams. This year the Council also sponsored the sale of WHS dinks.

The program of intramurals is sustained to teach the girls the fundamentals of different sports, to try to promote teamwork, and to encourage good sportsmanship. The volleyball teams were named for types of candy. A Junior team, the "Bits 'o Honey," captained by Annette Scarpantonio and co-captained by Jeanne Vannatta, captured the volleyball championship. The basketball teams this year

took the titles of different types of cars. A Senior team, the "Packards," captained by Carol Jacoby and co-captained by Ruthie Gibbs, won the championship for the school after a long, hard battle.

A team of senior girls, selected by the Intramural Council, defeated a team of junior girls, selected by the same group, in a preliminary game before our annual Donkey Basketball Game this season.

Badminton proved to be another one of our very interesting and exciting intramurals.

Although our intramural program is not flawless, everyone has enjoyed participating in it and has gained a great deal in the world of girls' sports.

The girls in the Officials Club of 1955-1956 have learned a great deal in the world of girls' sports by taking required tests in order to qualify themselves for officiating at volleyball, basketball, and badminton games. Something new was added this year to make the basketball officials more qualified. Each girl had to pass a practical test in addition to the written test.

The club has a membership of 45, including girls in the tenth, eleventh, and twelfth grades.

Our peppy cheerleaders form a very important part of the sports picture at Wilson as they are present at sporting events throughout the year instilling school spirit and good sportsmanship.

This year three substitutes were picked to cheer at games when regular cheerleaders could not be present. Another new addition to this year's squad was those new reversible corduroy uniforms. Co-captains Dot Buchanan and Harriet Leaver will wear their new uniforms for the first time when they march with our band at the Lions' Club Convention in Miami this June.

We have enjoyed a broad program of extra-curricular activities here at Wilson, with "something for everybody" as they say on Omnibus. If you like to write, the Echo is for you. To work with your hands, join one of the shop clubs. If you are a musician, Mr. Filer will find room for you. We have done all these things with quite a bit of success.

Musical Activities

As "TYME" comes to a close for our senior year of 1955-56, music fills the air from the many musical activities here at Wilson Hi. We hear the band out on the field playing those stirring marches and getting in shape for that long awaited trip to Miami, sponsored by the Wilson Lions' Club.

A new vocal group this year was the Mixed Chorus. This group consisted of forty-five fellows and girls from senior high. While practicing only Monday mornings during activity period, the chorus mastered twelve pieces and participated in the Student Council Christmas assembly. From the forty-five members of the chorus, twelve were selected to form a specialty group called the "Wilsonaires." This group is expected to grow into a typical Wilson championship organization next year.

The Girls' Glee Club worked very hard this year to present the annual operetta, "The Belle of Baghdad" presented on March 23-24. The Glee Club, numbering about 60 girls, also learned some all-time favorites, such as "Oklahoma," and "Young and Foolish."

The Dance Band was a gay group this year, improving as "TYME" passed. They played for many programs including the Echo Dance, "The Basketball Bounce," honoring the basketball team.

The orchestra played for the senior play and put on a special program for the P. T. A. They also accompanied the chorus and singers in the operetta and played for all assemblies.

One of the secrets of our great band is the experience learned in the Junior Band. The Junior Band practices every Monday and they give their own concert in the spring.

One of the most active clubs in the school, the Hi-Y, meets every Monday night at the YMCA. Under the excellent leadership of its officers and the guidance of Mr. Myron Ritter, the club has had a successful year.

The club fulfilled its purpose of creating, maintaining and extending throughout the home, school, and community high standards of Christian character in many ways. They answered the appeal by CARE for funds for the people of Italy during the severe cold wave this winter. They contributed to the Blind Association, Red Cross, and Community Chest. The club sold refreshments along with the Y-Teens at football games and presented

their annual gift to the school.

One of the highlights of the Hi-Y year was the Older Boys Conference held in Abington. Thirty-two boys attended the conference and all had a rich (and expensive) experience.

The Hi-Y also sent a basketball team to the Christmas Invitational Tournament in Allentown and finished second, losing out in the final game by two points.

Among the other activities of the club were hayrides, meetings with speakers, a ping-pong tournament, and the Spring Fling, the annual dance. The club closed out its year with its annual banquet, the last big event for the outgoing seniors.

JUNIOR HI-Y OFFICERS

<i>Vice-President</i>	-	-	-	-	-	-	-	-	LESLIE KEMMERER

The Wilson Junior Hi-Y is a new club added this year under the guidance of Mr. Donald Bell from the Easton YMCA and faculty adviser, Donald Meyers.

The club has been very active in its first year. Seven officers, including a representative to the Junior Board of Directors of the Easton, Phillipsburg, and Vicinity YMCA, have been elected, and the club's first constitution has been drawn up.

Some of the club's projects have been as follows: participation in a nation-wide course to combat juvenile delinquency, presentation of an assembly for the junior high, and a series of trips to places of interest in the city of Easton, including a Jewish synagogue, the county courthouse, and the county jail.

The club has been a success in its first year of operation, and many of the boys will probably go on to become members of the Senior Hi-Y.

Jr.-Sr. Y-Teens

<i>President</i>	-	-	-	-	-	-	-	LORRAINE YEAGER
<i>Vice President</i>	-	-	-	-	-	-	-	BARBARA B. YOUNG
<i>Secretary</i>	-	-	-	-	-	-	-	LORRAINE BACHMAN
<i>Treasurer</i>	-	-	-	-	-	-	-	KATHLEEN PIAZZA
<i>Faculty Advisers</i>	-	-	-	-	-	-	-	MISS JULIA ELLEN SWARTWOOD, MRS. EVALYN HAWK

In keeping with the TIMES, the Y-Teens have participated in many varied social activities during the past year.

The Junior-Senior Y-Teens sponsored a White Elephant booth at the annual Christmas Bazaar, co-operated with Hi-Y in putting on a Halloween Dance for the combined clubs, sold refreshments at football and basketball games, sent two representatives to the Mid-Winter Conference, and heard many various speakers give talks on numerous interesting subjects. Also, a senior girl was greatly responsible for the making of a scrapbook about Easton to be sent to Germany as a gift from all Y-Teens in the area.

Sophomore Y-Teens shared lots of good times, too. Selling refreshments was their part in the Christmas Bazaar. Activities throughout the school season included: a baby picture contest, a talk on teaching as a career, the decoration of Easter eggs for the

Old Ladies Home, group singing with the 7th and 8th grade clubs, and entertainment for the Mother-Daughter Tea held in the spring.

Freshmen Y-Teens really put in a vigorous year in the mad social whirl at W.H.S. Christmas, especially, held much interest for the group, for not only did they sponsor a booth at the Christmas Bazaar, but they sold greeting cards and filled baskets of food and gifts for needy families. But their list of accomplishments does not stop there. They put on a "variety show" assembly, had their own hat show, invited other clubs to share meetings with them, and were entertained by a multitude of guest speakers.

Seventh and eighth grade Y-Teens have made a good showing by having panel discussions, group singing, speakers, an assembly program, spring fashion shows, parties and games.

"More Than Meets The Eye"

On December 9 and 10, the senior class presented the three-act comedy, "More Than Meets the Eye," by Fred Carmichael. Mrs. Betty Jo Reese was director.

The plot of the play concerns the pre-

dicament of a young author who has written a series of children's stories under the pen name of "Grandma Letty." Named "Grandmother of the Year," he tries to keep his identity a secret.
